

2006 TRAFFIC TICKETS ISSUED

	2002	2003	2004	2005	2006
DEFECTS	423	228	197	242	154
CITATIONS	423	385	297	309	268
NON-MOVINGS	351	323	354	358	162
WARNINGS	1285	1045	864	1161	714

The above chart shows only those tickets issued for traffic violations. You will note that for 2006 the total number of tickets issued showed a decrease of 37.3% from 2005.

The major age groups receiving the most traffic contacts in both citations and warnings would be 16 through 49. In a breakdown of this range, 16-18 males received 45 citations and 90 warnings, females received 20 citations and 56 warnings. Ages 19-29 males received 62 citations and 130 warnings, females received 26 citations and 73 warnings. Ages 30-49 males received 40 citations and 82 warnings, females received 24 citations and 62 warnings.

2006 figures are as follows:

Citations	268	13.27% decrease
Warnings	714	38.5% decrease
Defects	154	36.36% decrease
Non-Movings	162	54.75% decrease

Other tickets issued, but not traffic related and not reflected in the above chart are as follows:

Citations - Health	3	50% decrease	Notifications-Health	57	5.00% decrease
Citations - Animal	16	33.33% decrease	Warnings - Animal	18	37.93% decrease
